

POST-VIDEO DISCUSSION SHEET

The following six questions are designed to be discussed after the Coaching For Christ video has been viewed. This can be especially effective if an athletic director or administrator watches the video with a group of coaches, then leads discussion afterwards. You might pass these out after the viewing and have them fill in the answers on their own, then discuss them afterwards as a group. Good Luck!!

1. What are some of the societal issues that exist in our country today because of a lack of positive adult leadership?
2. Describe the “platform” that coaches possess to teach lifetime lessons and change lives. How can a coach’s influence become generational?
3. How can a coach incorporate prayer and faith formation into the weekly schedule? How can this make your group a better team?
4. The video states that being a transformational coach “doesn’t require talent or a unique set of skills. It is something anyone can do.” Explain.
5. How does the saying “I don’t care how much you know until I know how much you care” apply to working with today’s youth?
6. The film states “If coaches can step up and recognize the opportunity they have, that would unleash a cultural tsunami of transformation, and a restoration of our culture.” Explain.
